MEMBERSHIP APPLICATION

***Building the Community
Through Strong Businesses***

Why Join ARVBA?

Membership in the Alum Rock Village Business Association (ARVBA) provides excellent opportunities for networking and community-building in the East San Jose area. As a member, you can be part of a promising and dynamic neighborhood partnership.

“One-Voice” at City Hall

By joining ARVBA, you will be partnering with others to more effectively address elected officials on areas of interest or concern to the community. As part of the group, you will have enhanced opportunities to identify and optimize government services and resources.

Listing on the ARVBA Website Business Directory – Linking to Your Web Site

When you join the association, you will be listed in our on-line business directory with a direct link to your website. Your listing will be maintained as long as your membership in ARVBA is current.

Educational Opportunities

ARVBA’s goal is to keep you informed of business-enhancing educational programs and ways to build community partnerships.

Networking Opportunities with Other Business Associations Throughout the City

By being a member of ARVBA, you will be informed of activities and events of other business associations throughout the City. You will be able to promote yourself and your business at these events.

Access Free Resources

ARBVA will show you how to take advantage of resources such as the Entrepreneur Center and SCORE which provide free business counseling and mentoring plus low-cost seminars and workshops.

Who Can Join ARVBA?

ARVBA welcomes community members and organizations as well as area business owners to join the Association.

Meet like-minded neighbors, become a catalyst for positive change in Alum Rock, exercise your talents, build community bridges and become a partner in an organization that gets things done!
